

St. Volodymyr Ukrainian Catholic Eparchial Camp

Camp Application - Please read carefully and fully fill out the form then send it to the address provided below (3 pages).

Camp Start Time: Saturday July 13th at 10:00AM Camp End Time: Sunday July 21st , 2024 3:30PM

Pre-Camp Information:

Our Site:

St Volodymyr Park is a 160 acre campground, 27km SW of Saskatoon and owned by the Ukrainian Catholic Eparchy of Saskatoon. There is an extra-large swimming pool, central hot and cold showers, fully sanitary facilities, recreation hall, kitchen and dining facilities as well as a nature trail and beautiful Hutsul style chapel. Children will sleep in cabins on bunk beds with a maximum of 10 participants, 1 counsellor and 1 counselor in training in each cabin.

Directions:

Travel south on HWY 60 toward Pike Lake Provincial Park you will see the large steel arch (entrance to the camp) on the left side of the hwy. You will be able to see the chapel from the highway. If you get to Pike Lake you've gone too far. Directions are now available on Google Maps!

Cost as a barrier:

If cost is a barrier for your child to attend camp, financial assistance is available by contacting our registration coordinator Elaine Koshman. To be considered eligible, families must be considered low income, unemployed or currently receiving income support through provincial government. A request may be required from an objective third party from the community who is familiar with the family and can assess the financial barriers facing the family.
